H.B. No. 6684 AN ACT EXCLUDING CERTAIN TARGET SHOOTING PISTOLS FROM PROVISIONS ON ASSAULT WEAPONS.

Supports

Dear distinguished members of the Public Safety and Security Committee,

I support H.B. No. 6684. Our Connecticut athletes should have the same opportunity as athletes from other states. In addition the pistols covered under this act are small caliber and expensive, not the type a criminal would use. I Support H.B. No. 6684. Thank you for your time.
